Colloquium Presentation Grant Request

(up to \$750 per team project--\$375 per individual; up to \$500 for solo presentations)

Grants are available to support **research** for student Colloquium presentations. Allowable research expenses include transportation, accommodations, and/or fees or ticket purchases for access to project-related resources. The ISM will not reimburse students for food, books/CDs, computer programs or equipment. In rare cases, singers or instrumentalists may be hired by the hour only for rehearsals and/or the presentation itself and only if no recording of the desired work is available. ISM students cannot be paid for the actual performance in Colloquium and rates of pay may not exceed those noted below. To apply, please submit this form at least one month before the presentation to Rachel Segger in Miller Hall (Rm. 201) or by email (rachel.segger@yale.edu). You will be notified when your request has been reviewed and adjudicated. Reimbursement/payment is initiated following the presentation.
